

Welcome to the BDFC Newsletter

Welcome to our latest BDFC newsletter!

BDFC is more than just a football club — it is a friendly, supportive and inclusive community where everyone is encouraged to have fun, build confidence and make great memories on and off the pitch.

Thank you to all the players, coaches, volunteers and families who make BDFC such a special club to be part of. We hope you enjoy this month's updates and events!

Coach Indy Message

Thanks to League 1–3 for being so patient with having limited space at times. Well done everyone — sometimes we just have to adapt, and I feel training has gone really well this month. We've also kept the rotation going, which has been great.

Coaching other groups too is not only a change for members, but a change for coaches as well.

It's been a hot one this month and it's only going to get warmer, so please remember to bring plenty of fluids to training.

We were at the West Riding FA this month — well done everybody, it was a great day. Just a reminder to be kind to one another. Teammates are special relationships and everybody is doing their best.

See you on the pitch,
Indy
