As we close this May edition of BDFC, we reflect on another month of determination, teamwork, and shared achievement at Bradford Disability Football Club. Every session, match, and moment of progress highlights the strength and spirit within our club.

Together, we continue to break barriers, build confidence, and create opportunities through football. Thank you to everyone—players, coaches, volunteers, and supporters—for being part of this journey. Let's carry this momentum forward into the months ahead.
